

children's activity

Advent 2015

The activity and colouring page speaks of what the coming of Jesus means for us.

Week 1

LOVE

The angels told the shepherds how much God **loved** them when they came and said..."I bring you news of great joy"

Week 2

CARE

God's **care** is seen when the shepherds that represent the people are the first to go and visit the baby Jesus.

Week 3

JOY

Mary is full of **joy** because she knows that she is to be the mother of Jesus.

Week 4

GIFT

Our special **gift** at Christmas is the baby Jesus.

STARS

Paints, glitter and pencil can be used to colour in the picture.

Gold or silver paper can be used to cut out the star shapes and place them into the wreath of stars.

CANDLES

Each candle represents the candles on the Advent wreath and can be coloured in purple or magenta.

The coloured in sheet can be used to decorate the Christmas table or placed glued onto a piece of card and put up on the wall near to the Christmas crib.
