## ACTIVITY – Heart

### *Preparation before the Lesson*

Before the lesson cut-out the heart shapes and punch a hole through the black circle so that the heart can be strung to create a necklace or be attached to a safety pin to make a badge.

### *Activity*

Let each child chose a heart. Fill-in the hearts with the ways they are loved and forgiven and decorate the heart. Once decorated the hearts can be strung as a necklace or pinned as a badge.

## ACTIVITY - My Helping Hand

Children write or draw a picture of the 5 adults they choose to be on their Helping Hand.

Teach them if the first person they tell does not help, listen, or believe them, they need to keep asking the other people on their helping hand. They will also always have God up their sleeve.

Have the children decorate and then cut out their Helping Hand.
