

World Day of Grandparents and the Elderly 2022

24 July 2022

Universal Prayers

For grandparents and the elderly. That they may be respected as living signs of the goodness of God who bestows life in abundance.

For grandparents and the elderly. That they may be teachers of a way of life that is peaceful and attentive to those most in need, as Jesus was.

For grandparents and the elderly. That sustained by families and Christian communities, they may apply their wisdom and experience to spreading the faith and forming new generations.

For grandparents and the elderly who have died. That God may welcome them into the eternal kingdom and give them the reward of their faithful service.
