INTRODUCTION

The first Mass a priest celebrates after his ordination is a special occasion and should be celebrated with appropriate solemnity and music. Likewise, the anniversary of the ordination of a priest is as significant as the wedding anniversary of a married couple. In most cases, the yearly anniversaries pass by without too much attention being paid to them, but the silver, ruby, golden and diamond anniversaries should be celebrated with great solemnity. When celebrating an anniversary, attention must be paid to the **Ordo** to see if the anniversary falls on a solemnity, or if it is a day when the orations and/or readings can be changed. The **Ordo** gives instructions about these matters. So whilst the readings are one consideration when selecting music for the anniversary Mass, it is still appropriate to have a hymn or two that focus on the priesthood and its ministry of service of God and His people. It is for these reasons that this resource **You are a Priest Forever**, has been prepared. In addition to the music list below, the music for the Latin hymn "Tu Es Sacerdos", *You are a Priest* (by Nicola Praglia) can be found at the end of this resource.

It is hoped that this resource will be a very helpful one to liturgical musicians and to those whose who are privileged to participate in the jubilee celebrations of the anniversary of the ordination of our priests.

A list of abbreviations is given at the end of this resource booklet.
