

## Parish Universal Prayer Petitions

### Perth Archdiocesan Assembly

For the local Church: that the Assembly journey towards forming an Archdiocesan Pastoral Council, based on listening to the Word of God in the Scriptures and the prompting of the Spirit that will open new possibilities for building community.

In joyful hope, we pray:

**Come, Lord Jesus.**

For the Assembly members who are preparing the way for the new Archdiocesan Pastoral Council: that as they walk together as authentic companions in Christ, they will bear fruit in new ways of service to the Gospel and for the good of all.

In peace, we pray:

**Come, Lord Jesus.**

For a sense of renewal: as the Spirit is God's gift for the renewal of the world, may we be activated by the Spirit to grow in wisdom, knowledge, the promoting of the common good and be people who heal.

In hope, we pray:

**Come, Lord Jesus.**

For a spirituality of journeying together towards the forming of an Archdiocesan Pastoral Council: that we may listen to each other with open hearts and be formed as disciples of Christ, as families, as communities, and as human beings.

In hope, we pray:

**Come, Lord Jesus.**

For a listening ear and a generous heart: that as we walk with each other towards the forming a Pastoral Council, the members of the Assembly preparing for this will have open hearts and minds, listening to the voice of God and to each other with humility and love.

In faith, we pray:

**Come, Lord Jesus.**
