

How to use the Jubilee Resources in Parishes

Choose one Sunday of Advent to introduce the Year of Jubilee 2025 to your parishioners.

For those parishes who have purchased a banner display it.

Place the decal your received in your complimentary pack on the candle and place it on the sanctuary in an appropriate place. Light the candle at the beginning of the Jubilee on 29th December 2024.

1. Introduce the Jubilee theme to the parishioners by show the 2-minute video clip [Jubilee Introduction](#) at the Notices.

2. Explain to the congregation that a booklet with further details on the themes of the Jubilee is available for them to take home and for them to use it as a reflection tool during the coming year.
3. You may choose one of the following ways to distribute the Jubilee Reflection Booklets:
 - ✓ Place the booklets in the foyer and invite families to take one home and work through it during the year with their children.
 - ✓ Place the booklets in the Foyer and ask for parishioners for a gold donation for the booklet.
 - ✓ Place booklets in the piety store and sell them for \$2.00. This will help recoup your expense.

There are also two other short Jubilee video clips available for you to use.

One is on [Prayer](#) and the other on [Reconciliation](#). You may want to use them to prepare the parishioners for the second rite of reconciliation or you may want to use them as a time of reflection after communion in place of the hymn after communion.

In the new year we will send the activities in the Archdiocese which your parish can participate in for the Jubilee Year. If your parish has planned an activity, please let us know so we can share your idea with other parishes.

Let us all enter the Year of Jubilee with a spirit of hope and a renewed that understanding that "Hope does not disappoint us, because God's love has been poured into the hearts through the Holy Spirit." (Romans 5:5)
