

# Universal Prayer for Jubilee 2025

## Advent 2024

The Universal prayer for each Sunday of Advent reflect the elements of the Jubilee logo.

Week One     The Cross

Week Two     The figures

Week Three   The anchor

Week Four     A rough sea

Please feel free to include them in your parishes in the season of Advent.

For those who have lost heart. May this time of Advent illuminate their hearts with the joy of Christ's coming so that they may discover anew the unconditional love God has for each person. Lord hear us.

### **Second Week of Advent**

For solidarity between all people of the world. May this time of Advent stir the hearts of all leaders to end discrimination and injustice by working together towards building communities that live in unity and harmony. Lord hear us.

### **Third Week of Advent**

For those anchored down with hopelessness and fear. May this season of Advent dispel their fears and bring a renewed sense of hope so that can live with new courage and faith. Lord hear us.

### **Fourth Week of Advent**

For all who are burdened with the demands of the world. May this season of Advent bring them peace and renewed hope as they seek to live more fully the gospel call to discipleship. Lord hear us.
